

FIRST ISEM MOBILITY TO LIEPAJA MARINE COLLEGE (LATVIA)

26 to 30 September 2022

Within the framework of the agreement signed between the Higher Institute for Maritime Studies (ISEM) and Liepaja Marine College (LMC) on 06 December 2021, two professors and an administrative staff from ISEM carried out a visit to LMC from 26 to 30 September 2022.

This mobility was a great opportunity to exchange experiences in maritime education and to strengthen cooperational networks between the two institutions.

Activities carried out:

- Creation and development of contacts and relationships;
- Discussion on the possible development of the current field of cooperation between the two institutions within the framework of cadet practice on and off shore;
- Provision of a short introduction course "Safety at workplace and Maintenance management" ;

- Provision of a short introduction course "Maritime Supply Chain and Ship electricity";
- Experience exchange with receiving institution's staff responsible for cadet training and quality management in Maritime Education and Training;
- Familiarization with the institution facilities.
